Treatments

Keratin Blow dry	POA	POA	POA	POA	POA
Permanent waves	POA	POA	POA	POA	POA

A simple sensitivity test is a requirement for all chemical treatments 48 hours prior to a colour procedure. Hair is tested for suitability prior to service, and a skin test is carried out to rule out any form of allergic reaction or your service could be cancelled and a charge will occur.

Child cuts are available, contact the salons for pricing.

*Discounts are not available for Teen Spirit or Keratin Blow Dry
